In general, it's for amateurs, because it's the weapon of choice when everyone knows the game is over and guns aren't really your thing. For a kid who likes to build things, I would say he has a point: the SNS is an awesome (and affordable) machine gun you can build yourself. The SNS is not a very high-volume or high-rate production firearm. But, when

Jan 28, 2013 I fucked up my thumbnail in photoshop when I did this. I'll fix it in the morning. This is my retarded version. Audio was recorded in the car on my way home from a party 2 hours before I went to bed.
